

8th Street Drainage Improvements

A portion of the Downtown Links project includes the 8th Street Drainage improvements providing a new roadway drainage system and major reconstruction of the Tucson Arroyo.

- Project Management
Jesse Gutierrez – Tucson Department of Transportation
Andy North – Borderland Construction Company
- Project Schedule
Notice to Proceed – September 26, 2011
Construction Completion – March/April 2012
- 6th Avenue between 6th Street and 7th Street will be re-striped to accommodate 2-way travel. This traffic pattern change will provide better access to area businesses during construction.
- During construction there will be intermittent closures of 8th Street, between 5th Avenue and 6th Avenue. Beginning March 2012, this section of 8th Street will be permanently closed to accommodate the Modern Streetcar Maintenance Facility.

Downtown Links

The Downtown Links project is a 30 mph, four-lane road north of the Union Pacific railroad tracks that will connect Barraza-Aviation Parkway to I-10. It will provide alternate access to and around Downtown by foot, bike, vehicle and public transit and offer new and safer underpasses, railroad crossings and sidewalks.

This is a project of the Regional Transportation Authority. The voter-approved, \$2.1 billion RTA plan will be implemented through 2026. Details about the full plan are available at www.RTAmobility.com. The Regional Transportation Authority has a nine-member board with representatives from local, state and tribal governments. This project will be managed by the City of Tucson.
