

DOWNTOWN LINKS CITIZEN ADVISORY COMMITTEE

June 30, 2006

Dear Downtown Links CAC Member:

As we move forward in the planning of Downtown Links, we have found that the one-on-one meetings with individual CAC members and project stakeholders to discuss the proposed concept alignments and to introduce city staff have been very productive. We will also be meeting with additional neighborhood representatives who have expressed concerns subsequent to the last CAC meeting. Coordinating these meetings has been more of a challenge than expected based on conflicting schedules and holidays.

The effort to meet with all the above-mentioned individuals cannot be accomplished prior to the next CAC meeting in July. Therefore, in order to complete this critical outreach component, we are canceling the July 10 meeting. The next DLCAC meeting will be on Monday, August 14.

If you have any questions regarding this process, please call TDOT Deputy Director Andrew Singelakis or Downtown Links Project Manager Shellie Ginn at 791-4371.

Sincerely,

The Downtown Links Project Team
